Why Choose Jim's?

As a family owned and operated business, we know how important it is to give your child a great musical experience. At Jim's Music, we specialize in making that happen with a convenient and easy rental program.

Service You Can Trust

Our in-store service department provides you with priority, quality service from experienced knowledgeable technicians.

Instruments subject to availability. Like-new and used instruments have been fully serviced and are functionally identical to new instruments. Timeline to ownership varies based on value of instrument. Maintenance plans do not apply toward the purchase price.
